Cornell’s Winter Safety Penguin is here to say a few words….

Brrr! IT’S COLD OUT THERE FOLKS!!!

Please remember these safety tips as we embrace the Ithaca Winter Weather.

- Minimize travel if possible.
- Stay indoors during the worst part of the extreme cold.
- Keep a winter survival kit in your vehicle if you must travel.
- Check tire pressure, antifreeze levels, oil levels, battery, heater/defroster, etc.
- Learn how to shut off water valves for potential pipe bursts. Turn off outside faucets.
- Check on the elderly.
- Bring pets inside.

What should I wear to stay warm?

- Wear layers of loose-fitting, lightweight, warm clothing.
- Wear a hat.
- Cover your mouth to protect your lungs from extreme cold.
- Mittens, snug at the wrist, are better than gloves.
- Stay dry and out of the wind.
