When the first snow does arrive, remember to Walk Like a Penguin!

- Flat Footed
- Arms out (not in your pockets)
- Feet pointed out slightly
- Short, shuffle steps

Use handrails and walk in designated areas (not off-sidewalk short cuts or areas that don’t receive winter maintenance).

**Always assume dark wet areas on pavement are black ice!**

Report hazardous walking conditions 254-COLD (2653)

If you do fall, fill out an **Injury / Illness / Exposure Report Form.**

**Walk like a Penguin**

1. Walk flat footed and take short steps
2. Wear footwear that provides traction
3. Step down, not out from curbs
4. Use your arms for balance
5. Carry only what you can in a backpack
